GRATITUDE WORKS

A Message from our Founder, Cynthia Brian

Express Yourself!™ for TEENS

Besides increasing literacy, a core mission of Be the Star You Are!® since inception has been to produce, provide, and promote positive message programming as a method of empowerment. Our radio show, [Starstyle@-Be the Star You Are!](#)

[TM](#) hosted by Heather Brittany and me has been broadcasting live weekly since 1998 showcasing authors and books that inspire and enhance daily living. We are especially proud that the program reaches 132 countries around the world and over 3.5 million listeners.

Next month, a new era in programming begins. [Be the Star You Are!®](#) will launch a brand new hour long program for, by, and with teens. During the summer, we launched the new web site for teens at www.BTSYA.com to express, upload, and publish their creativity. Voice America Radio Network asked me to take the teen scene to a new level by creating a global program. For the past two months, producing with [Starstyle® Productions, llc](#). I have been working with seven young people to bring [Express Yourself!™](#) to the Voice America Kids Radio Network.

Our two teen hosts are Steven Zhou from the San Francisco area and Chan Dara Paschall from Los Angeles. We have five field reporters from five different areas, Courtney Cheng, Vivien Lee, Rachel Glass, Eric Pawlakos, and Jacqueline Tao, checking in on a variety of topics and trends that are important to the youth generation.

My goal is to help teens think outside the box and speak with confidence on the airwaves while having fun and gaining real world skills. **[SNEAK PEAK](#). I am so proud of their success.**

[Express Yourself!](#) is an entertaining radio program where passion, productivity, and possibility populate the airwaves. Come play in our country where teens talk and the world listens. Have a happy, haunted Halloween!

Thanks for spending time with us here in our power place. Go Team TEENS!

Mega thanks to event chairperson, Vivien Lee who orchestrated with a smile the volunteers and activities for the September Teen Car Wash as well as Pear and Wine Festival. Steven Zhou assisted in running errands, buying balloons, snacks, and bringing in more helpers.
