MAGNIFICENT MAY

The spring beauty of the month of May warms our body, mind, and hearts.

We celebrated the wonderful women in our

lives with Mother's Day, our teens are dressing up for Proms and Balls, baseball games are thriving not only in the stadiums but in our local parks, community events are plentiful, and our gardens are cloaked in their full blooming regalia. I love this time of year with the sunny weather, green hills, baby bunnies, chirping songbirds, and smiling faces.

The volunteers at [Be the Star You Are!®](#) have been truly active.

LITERACY KUDOS

Forbes Magazine announced that GreatSchools.org ranked the Moraga School District in California the 4th best school district in the nation behind Falmouth Maine, Barrington, Rhode Island, & Pella, Iowa. What these areas have in common is that they are small communities with between 10,000 and 37,000 residents.

They share these key assets- devoted teachers, challenging curricula, involved parents, parcel taxes for schools, and vibrant cultures of achievement. Bravo Moraga! It's no coincidence that Moraga is the home of literacy charity, [Be the Star You Are!® 501 c3.](#)
