The Land of Stories: The Enchantress Returns by Chris Colfer is a really great book. This is the perfect book to gift someone. It would be the best gift. This book is perfect for ages 8 to 13.

This book is about how Alex and Connor's mom got kidnapped by an evil enchantress. Alex and Connor are twins and they have to go to this world again due to their grandmother's wishes. Not only is their mom kidnapped, there is also MANY more chaos and challenges the twins have to go through in order to save this world.

It is a fantasy and adventure book. It is a magical fairytale. It has so much detail and exciting events! This book is really grabbing and represents loyalty and courage pretty well. If you are someone who likes adventure, Disney, magic, or fantasies then this book and book series is ideal for you!
