Dear Ms. Brian,

Congratulations on being honored once again as a top non-profit by Guidestar and Great Non-Profits.

Be the Star You Are is an empowering non-profit that contributes to our community by improving literacy and providing a positive media message for youth, women and families at risk. By collecting books and distributing them to those in need, your organization impacts and benefits many and I am honored to represent such a charitable organization.

As your representative in the California State Assembly, I serve you and our community, and look forward to working with you in the years to come. If I can ever be of assistance to you or your organization, or if you just want to share your views on issues affecting our state or community, please contact me.

Thank you for contributing to the overall success of our town, and again, congratulations on your award.

Warm regards,

CATHARINE B. BAKER
